From (Name) M. R. Ry. Rao Bahadur N. Subba Rao Avergal,
(Designation) President, District Educational Council, South Kanara.

To The Secretary to the Government of Madras,
LAW (EDUCATION) Department.
Through The Director of Public Instruction, Madras.

Sir,

I have the honour to enclose a copy of Resolution No. 82 passed at a meeting of this Council held on 31. 1. '27 requesting a sum of Rs 3,000/- for teaching grant-in-aid for continuation schools with libraries and reading rooms, working under this Council for the breaking down of illiteracy and to spread the light of culture among the literate people who are likely to lapse into illiteracy.

2. The centres for working out the scheme have been to a large extent been selected and the scheme will be ----- to the extent of grant and worked out in accordance with the recommendations of the --- District Educational Officer, and with close cooperation with him. It is expected that the existing village school will ---

become the centre of all activity, that people of the locality can be made to take interest and to some extent to collect -- funds to supplement the grants to be disbursed by the District Educational Council, that libraries and reading rooms may --- gradually be started in connection with the work and that --- suitable lectures by the Officers of the Health, Cooperative, Agricultural and Veterinary Departments, will be arranged for the benefit of both the literate and illiterate villagers. As President of this Council, I am taking particular care and --- interest to see that the scheme is well thought of in close --- consultation with the District Educational Officer and the ---- teaching grant of Rs. 3,000/- is after all a very small sum and every care will be taken that every pie will be properly utilised. If, as I hope, the scheme succeeds on the present small scale, it -- can later be extended.

I have the honour to be,

Sir,

Your most obedient servant,

President,
Dt. Educational Council,
South Kanara.

~~Sir~~, Ref: Letter R.C.No. 93 D.E.C/27, dated 11th February 1927 from the President, District Educational Council, South Kanara.

Submitted.

2. It is observed that the Council's proposal is to pay teaching grants to such of the schools or managers who work for the promotion of adult ~~xxxxx~~ Education - Grants are proposed to be disbursed as in the case of aided Elementary schools. Under the Madras Elementary Education Act of 1920 and the rules framed thereunder, the District Educational Council cannot disburse such grants. The Council can disburse grants only in respect of Elementary schools under private management, and an elementary school has been defined in sub clause (vi) of Section 3 of the Madras Elementary Education Act of 1920. The

5

proposal now formulated by the Council and for which grant is sought for, does not come within the provision of the Act and the rules framed thereunder.

3. The question of improving the existing facilities for adult education is under separate consideration. As to how far honorary and unofficial workers are available to work for the improvement of adult education and to what extent financial aid will also be necessary is being investigated separately. The District Educational Officer, South Kanara, and the depressed classes Mission, Mangalore, have submitted some proposals and they will be considered and submitted to Government in connection with the general question. In the circumstances explained above I cannot recommend the grant applied for by the District Educational Council.
